BOARD OF DIRECTORS

*Standing: Mr. Rusinko, Mr. Ungvarsky, Mr. Rich, Mr. Baluh, Treas.
Seated: Mr. Flaherty, Mr. Morgan, Sec., Mr. Smitley, Pres., Mr. Howard.*

The members of the Class of 1959 have received their 12 years of formal education during a seemingly confused and bewildered cycle of world history. It has always been a challenge to youth to put a troubled world in order. Your school board has tried to provide the necessities to prepare you for the tasks ahead. Many of your classmates will pursue higher avenues of learning, others will use their existing talents to serve mankind. It is your duty to God, country and self to develop these talents and skills to their highest abilities.

On behalf of the members of The Mount Pleasant Township School Board, we sincerely congratulate the members of the Class of 1959, and wish you every success.

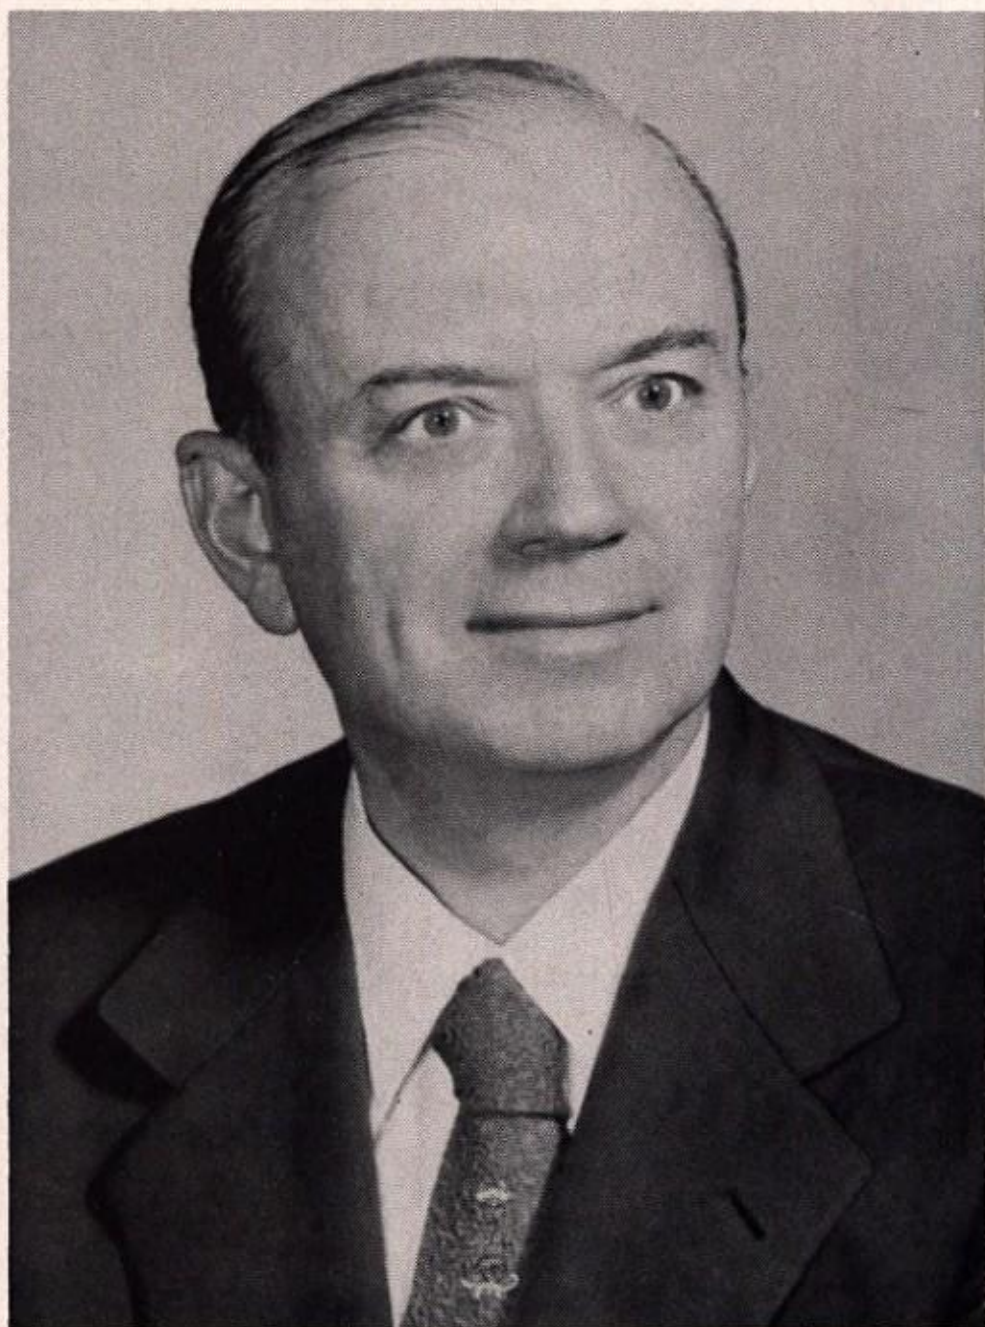

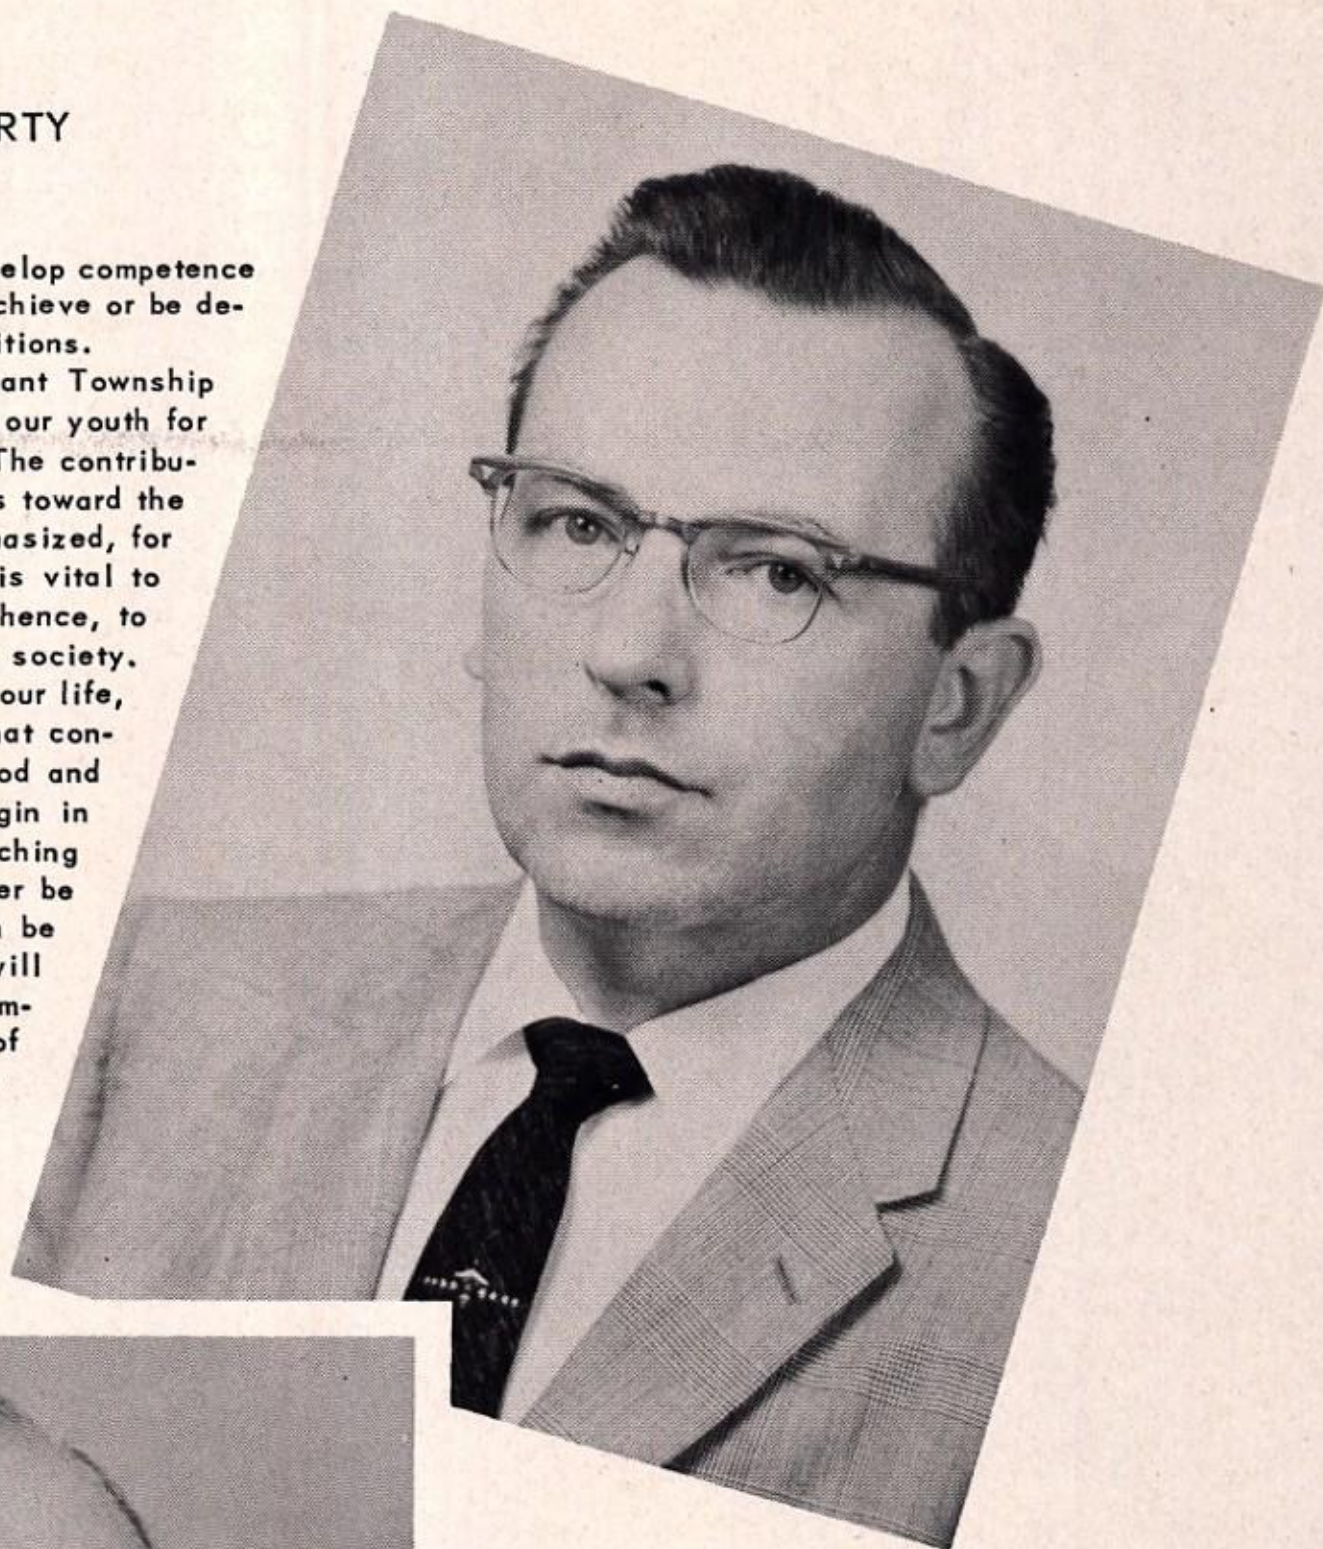

Clair Morgan, Secretary
Mt. Pleasant Twp. School District

SUPT. THOMAS FLAHERTY
B. ED., M. ED.

To the extent that schools can develop competence in young people, many of them will achieve or be denied the realization of cherished ambitions.

A major aim of the Mount Pleasant Township Public Schools is the preparation of our youth for responsible, satisfying citizenship. The contribution of your secondary school studies toward the realization of this goal must be emphasized, for an excellent high school education is vital to progress in our scientific age, and hence, to the well-being of our free, competitive society.

As you approach this new era in your life, try earnestly to meet the problems that confront you. You must realize that good and evil, creativity and destruction, begin in individual persons, and that the reaching power of the individual must never be underestimated. Of one thing we can be sure -- the graduates of our school will be expected to play an increasingly important role in shaping the future of our community and our country.

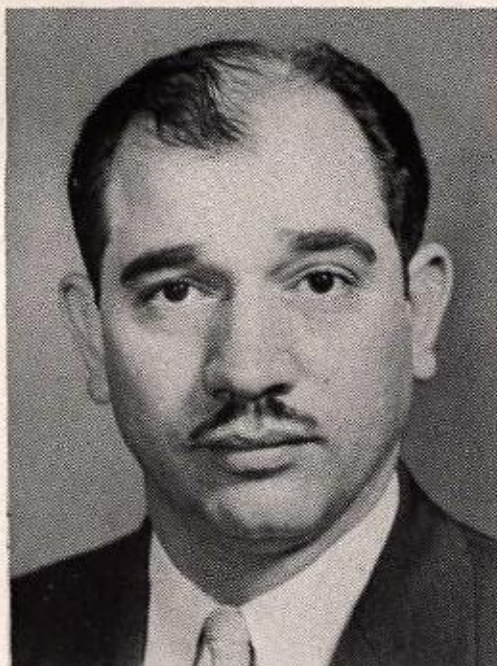

PRINCIPAL WM. D. MULLIN
B. S., M. S., M. ED., D. ED.

Youth today have dreams, aspirations and hopes. In many individuals, these ambitions are expressed outwardly in a rush of speed and power to achieve success. Many of you would like to be great in some occupation or profession. Are you willing to work long and hard, many hours and make great sacrifices to achieve your ambition? It takes struggles in life to make strength. It takes singleness of purpose to reach a definite objective.

Your ability to achieve, to do well what you do, to stay with your objective to the very end will be determining factors in the economic and spiritual life you will live.

In the play "Green Pastures", Noah says to the Lord, "I ain't very much, but I'm all I got." Well, you're all you've got. "What are you going to do with what you've got?" Will you use yourself to make life richer, better, nobler? This is perfection. This is the good life. The youth who lives it will be able to say with joy, "I have fought the good fight, I have finished my course, I have kept the faith."
